

# Thyme Orange

She feels snazzier all around.

Where would you like to go?

No...  
It's not just her hair...

Or something.

All right.

I wanna eat okonomiyaki.

I guess people just change over 2 months?

Don't worry, I know how to do it.

Why aren't we going out to eat?

Say...

It's a girl's dormitory, so men aren't allowed. But girls are okay, I think.

And this is a dormitory. Can you have visitors?

Actually they're not.

So  
close  
...

Will you  
stay over,  
Miyako-  
chan?

*Smile*

Mm...

What...?

You don't  
have school  
tomorrow,  
right?

Ah...

I'd feel  
nauseous  
if you gave  
me a sauce-  
filled kiss.

Miyako-  
chan...
